Dear Mr. Connors

On behalf of the guests, board, and staff of Rosie's Place, thank you and all of the CSA members for your donation of fresh produce for our Dining Room and Groceries program. We are so grateful for your support!

At Rosie's Place, we have many vital services available to our guests. Our food programs, the Dining Room and Groceries program, alleviate hunger by providing groceries and meals to those who would otherwise go without. These services also allow guests with extremely limited incomes to afford rent and utility bills without skimping on food for themselves and their kids. Guests not only find food for meals, but also warmth, compassion, and connections with the huge range of resources and supports that Rosie's Place provides to help them achieve stability and security for their families. Your donation of fresh fruits and vegetables makes such a difference in the lives of our guests and we are so appreciative to have your support and friendship!

Each day, we resolve to walk side by side with each of these women – wherever their journey leads. By supporting us, you are on this journey too. Thank you again – it is heartwarming to know that we have your support.

With hope,

Sue Marsh
Executive Director
